FRIENDS

In its long history the Artane Band has always relied on fundraising events and the goodwill of the general public to help sustain the substantial costs involved in the purchase and maintenance of uniforms, instruments and associated materials for the Artane Band. Under the Artane School of Music Strategic Plan 2013-2016 new and sustainable fundraising efforts have been prioritised as a key element of the strategic outlook for Artane. The first element of this strategic fundraising plan was the development of an Alumni Association and the second, the formation of the "Friends of Artane" to allow for both private and corporate support of the key Artane School of Music activities.

The FRIENDS initiative while primarily a fundraising enterprise is also aimed at creating more awareness of the Artane Band and the Artane School of Music.

We also know and recognise that often the greatest contribution to any community based organisation is in the efforts of an established volunteer corps.

Should you wish to make a contribution as a **VOLUNTEER FRIEND** and carry on a long tradition of volunteering with the Artane Band, please contact our School manager Keith Kelly at 01-8318929 or at info@artanemusic.ie

The **FRIENDS** initiative allows for four tiers of contribution, **Blue, Scarlet, Gold and Corporate**

The **Blue** contribution is €5.00 per month with the names of all contributors published on the Friends of Artane Web site and access to an exclusive friend's event at a reduced cost.

The **Scarlet** contribution is €10.00 per month with names of all contributors published on the Friends of Artane web page, and access to an exclusive Friends event at a preferential cost.

The **Gold** contribution is €20.00 per month, with names of contributors published on the Friends of Artane Web Page and the National Concert Hall programme. Gold contributors also will have free access to an exclusive Friends of Artane event.

Gold contributors will also be presented with a framed certificate of recognition

We also recognise that everyone may not be able or willing to commit to a monthly contribution, but if you would like to make a single **FRIEND** donation to the Artane Band, you can easily do so through our website www.artanemusic.ie

Corporate Sponsorship

If you, or your organisation, would like to become involved with the Artane Band as a corporate sponsor, please contact our manager who will organise a meeting with our Finance Committee to discuss any future cooperation.
